

Bluffton Police Department Advisory

Over the past week, church schools in Bluffton and Hilton Head have reported a Caucasian male subject in his mid-fifties on their properties exhibiting odd behavior. The Bluffton Police Department and Sheriff's Office responded to the various complaints. Subsequently, the subject was identified as a citizen of Canada and currently homeless. There were no threats of violence or any other criminal behavior exhibited by the subject in any of the reported incidents.

At approximately 10:00 AM today, representatives from All Saints Church on Meeting Street reported a Caucasian male subject causing a disturbance on their property. This was reported immediately and the subject was located at the scene by responding deputies. The subject was identified as the same Canadian Citizen reported in the Bluffton incidents last week. He voluntarily accompanied deputies and investigators to the Hilton Head Sheriff's Office substation for an interview. At that time the subject was served with trespass notices by the Sheriff's Office and Bluffton Police. The subject has not been arrested or detained as no criminal activity has been identified.
